

Aggreko energy transition solutions Saint Lucia

Aggreko Energy Transition Solutions (ETS), a division of Aggreko, has announced the acquisition of Infiniti Energy from Upper Bay Infrastructure Partners. Financial details of the deal have not been disclosed.

We are committed to supporting the transition to Net Zero, helping safeguard our planet for future generations. To do so, we are innovating cleaner energy solutions that enable our customers to make the switch to more sustainable solutions .

We recognise our position as partners in the energy transition and are constantly evolving our products to provide better solutions no matter the sector. We're committed to achieving Net-Zero across our operations by 2030 and across all our services by 2050, embedding the future of energy into everything we do.

Aggreko is on a mission to cut the amount of fossil diesel fuel used in customer solutions by at least 50% by 2030 and aiming to be net zero by 2050. The sustainable fortunes of its own business, and that of its clients, are ...
