

American solar solutions Maldives

Fenaka, in partnership with the Ministry of Climate Change, Environment and Energy, has officially launched the Magey Solar program, an ambitious initiative aimed at harnessing solar energy by installing photovoltaic (PV) systems on the rooftops of private homes across the Maldives.

Providing Maldives resorts a full solar power solution, Atoll Solar ensures you reap the maximum return from your solar energy investment. From installation to maintenance, our trained and certified team is committed to make solar power a seamless process for your property.

Swimsol's floating solar panels could reduce the dependency of island nations on diesel generators. How do you power a tropical island with little land, but over 300 days of sun a year? The solution: putting photovoltaic systems out to sea.

Leading solar energy company in the Maldives, island clean energy specialists. ISLAND SOLAR POWER Swimsol provides affordable and durable marine floating & rooftop solar PV systems for the tropics, where land space is limited.

The Maldives has achieved a significant milestone in its renewable energy journey by installing 12 solar systems in the Thaa Atoll islands as part of the POISED project. This initiative is projected to save 1.2 million ...

The solar PV system at the LUX* Resort utilises all the available roof space and is expanded at sea with floating offshore SolarSea ® platforms to reach the desired solar power production capacity. The system works in hybrid mode with the diesel powerhouse of the island, and reduces the diesel consumption of combustion generators.

The Maldives has achieved a significant milestone in its renewable energy journey by installing 12 solar systems in the Thaa Atoll islands as part of the POISED project. This initiative is projected to save 1.2 million liters of diesel annually and reduce carbon emissions by 3,300 tonnes, marking a crucial step toward a sustainable energy future.

Swimsol is the global leader in marine offshore photovoltaics and the leading solar energy company in the Maldives specialising in island renewables. Discover Companies
