

Armenia solar inverter brands

Rubinar is one of the first companies providing solar energy solutions in Armenia. From the start of our journey, our priority has always been offering our customers a high-quality service experience.

Solar Holding LLC specializes in solar energy. We focus on importing, selling, and installing solar power systems and water heaters. We started operations on March 17, 2020, and we are known for our quality service. We use Longi panels, a top brand with no direct competitors, and our converters (inverters) are from Fox, GoodWe, and Huawei. Read ...
