One of Choice International Group's subsidiaries, Lontor Hi-Tech Development Company, has implemented a renewable energy system that will help reduce electricity costs in the face of the nation's rising energy costs.

Our core business is turnkey solar & wind turbine projects for both residential and commercial solar PV panel systems. The on and off-grid specialist Energy Saving Products

We live in ARUBA, a very sunny island in The Caribbean. Solar solutions are perfect for here. There are many ways to use the sun for your solutions. I use this mainly for generating electricity, but at the same time as a Dark/Light switch as well. Electronics, small mechanics, small construction is what I like.
