

Bloemfontein solar container cabin price quote

Should you build a container home in South Africa?

Building a container home in South Africa can be an affordable, stylish, and sustainable housing solution. But unexpected costs, unclear regulations, and off-grid needs can quickly spiral if not planned properly. This guide helps you avoid those surprises.

Where can I buy a shipping container in Bloemfontein?

A wide range of shipping containers are available for sale through the National Containers network of container companies. So if you are interested in buying an as-is or converted container, please complete our online form or give us a call, and we will connect you with a leading container specialist in Bloemfontein.

Are container homes a viable alternative to building rubble?

If you cannot stand the thought of building rubble and a big mess in your garden, please consider our container homes as a viable alternative. We manufacture the homes off-site at our manufacturing facilities in the Western Cape and Gauteng, and they are delivered complete and ready to move in.
