We provide consultation, design, procurement and installation services for solar photovoltaic systems and lightings. Our client includes the government of Brunei Darussalam, private companies and individuals (home owners).

Celebrate a brighter, greener future with Megawatt Solar Solutions Sdn Bhd - your solar panel installation experts. We provide top-tier Residential, & Commercial Solutions, combining sustainability, savings, and efficiency in every project.

Megawatt Solar Solutions Sdn Bhd is a leading solar photovoltaic (PV) energy specialist in Brunei, focusing as a one-stop system solution provider for residential and commercial clients. Founded in 2014, we aim to continuously build awareness and educate on the economic, environment and social benefits of adopting renewable energy in Brunei ...

At the moment, there is no regulatory governing the installation of solar panel in Brunei. Companies follow international standards for solar PV systems that convert solar energy into electrical energy, as well as for all the elements in the entire system.
