

# Can the piggy bank be left empty

Should you keep money in a piggy bank if you die?

Since the Piggy Bank is much cheaper, it's better suited to leaving several permanently placed, scattered in important locations such as outposts. As vendors can still access money in the Piggy Bank, and Coins won't be dropped from one when the player dies, it is best to keep money in the Piggy Bank to prevent losing it when dying.

How does the piggy bank work?

The piggy bank is where the money is stored during the games, after each game, money will be added. The prize money will range from the amount of players that were eliminated in that game. Every player that becomes eliminated will add 100,000,000 won in to the piggy bank. In season 1, the money would go to the one finalist.

How much does it cost to empty the piggy bank?

In Wordscapes, the piggy bank asks for \$2.99 when it has amassed 1440 coins, emptying the bank until more coins are collected.

Will the piggy bank ever go away?

The piggy bank in Wordscapes has nothing to do with the coins you earn in play (these are shown in the upper right hand corner). However, there is uncertainty about whether the piggy bank will ever disappear. One team member has had it on her phone since December, finding it annoying.

Do You Remember a piggy bank?

Everyone remembers a piggy bank from their childhood days. Whatever the shape or size, we all had a money bank of some sort where we used to drop in loose coins or even precious RM1 notes.
