Cornex New Energy Co.,Ltd. is a globally-oriented new energy innovation and technology company of lithium-ion battery, which focuses on the development, manufacturing and sales of traction battery and energy management system which includes electrochemical energy storage, electric vehicle, commercial vehicle, construction machinery and others.

Currently, the production capacity of over 110GWh in CORNEX's three major bases in Xiaogan, Wuhan and Yichang has been fully put into operation. The new generation of 5MWh large-scale energy storage product CORNEX M5 has achieved full-scale mass production and application.

About CORNEX: CORNEX NEW ENERGY CO., LTD. is a new energy innovative high-tech enterprise focusing on R& D, manufacturing, sales and services of energy storage batteries, EV batteries and energy...

CORNEX M5 incorporates a self-developed Conergy 314Ah energy storage battery cell, boasting a cycle life up to 12,000 cycles and an impressive energy density up to 185Wh/kg. Furthermore, the capacity of the energy storage container has been elevated to 5MWh, achieving a remarkable 49% increase in system volume energy within the same size ...
