At PNG Solar Supplies, we design, build and install customised solar power systems to meet the specific needs of our customers. From modifying existing solar boards to installing new solar panels, our services range from 1KVA to 100KVA.

These solar solutions come in set kits that included lights, battery boxes and a solar panel ranging from small 5 volts panel to a 12 volts panel which is the largest of the kit. We also sell other solar products like solar panels, invertors, solar controllers, solar cables, solar batteries and lights.

AIMS Power inverters are available up to 8000 watts throughout Papua New Guinea in 12, 24 & 48 volt models for off-grid, mobile & emergency backup power applications. FREE SHIPPING (some products excluded)
