

Energqos energy solutions srl Yemen

What will Ameresco do with energqos?

With this acquisition, Ameresco will be able to expand its portfolio of clean energy projects and solutions throughout Italy. Energqos has been operating for more than 15 years with the mission of taking care of the environment by offering a competitive advantage to Italian companies through energy efficiency and renewable energy solutions.

Why should you choose energqos?

This is why we have been committed for 15 years here at Energqos to offer energy efficiency solutions and technologies for renewable energy production, capable of generating concrete results for companies, with a view to an increasingly green future.

What makes energqos different?

Energqos was built on a commitment to developing renewable energy solutions and establishing emission reduction targets, so as to usher in a greener, better future for all," said Enrico Giglioli, CEO of ENERQOS.
