Green Enesys Group is an international developer of cutting-edge renewable energy projects. With over a decade of experience, we have successfully delivered more than 70 utility-scale green energy initiatives, while simultaneously driving entrepreneurial efforts to pioneer next-generation green technologies.

Green Enesys offers investors to develop innovative renewable energy projects that deliver sustainable returns. With a proven track record in EPC and O& M contract negotiations, long-term PPAs, and financing agreements, we ensure your investments are secure and impactful.

The Group is a pioneer in the Study, Design, Planning, Management, Operation and Maintenance of the largest photovoltaic parks in Cyprus, with a clientele that exceeds 40MW. We manage and operate, simultaneously, privately owned PV parks, with a total capacity of 20.62MW.
