Two new publicly available electric vehicle (E.V.) charging stations at the Odeon car park and two new charging stations at La Crocq Pier are now operational. The new charging stations complement two existing stations which have been operational at ...

Most drivers in Guernsey only need to charge once or maybe twice a week as our distances are so short. Simply register this home charger point with Guernsey Electricity and you're ready to go! Fast and Rapid Charging Points. If your lifestyle means you need your car to be charged at home more quickly, a Fast or Rapid Charger may be more suitable.

There are public electric vehicle charging sites such as North Beach, Salerie and Odeon car parks, and another charging station at La Crocq Pier, St Sampson. All sites have two 7.2kw electric vehicle charging units and can be accessed by using the Plug-N-Go app, or by purchasing a key fob through the app to access the charging units.

Renewbox est un syst&#232;me de recharge, principalement utilis&#233; pour les serveurs de partage comme G-Share, Forever, et d'autres[3][7][9]. Voici comment son syst&#232;me
