Government of Jersey are overall supportive of solar and in most cases you can cover upto 90% of a roof plane without seeking permission. If you live within a listed building, listed site or potential building of interest in Jersey you will always require planning permission and we recommend seeking pre-planning advise from the department.

Quality, guaranteed, low maintenance solar systems at competitive prices. Free energy direct from the sun. Solar panels, energy stores, wind power, advanced boiler and control systems.

Harness the energy from our own domestic solar installation to power your home's appliances and heat your hot water with our unique Smart Solar offer, when switching to electric heating. Jersey's Rooftop Revolution
