50KW modular power converter KAC50DP owns a flexible configuration with a modular design. It's small and light when wall mounted. The KAC50DP offers a range of powerful features that support PV+ESS, grid support, and is equipped with SVG technology. It allows for both on-grid and off-grid operation, providing flexibility in power management.

50kW/100kWh Outdoor All-in-one PCS (Power Conversion System) Energy Storage Cabinet. Designed for small and medium-sized businesses, such as garden centres, farm shops, schools, zoos, pubs, restaurants, micro-breweries, business ...
