Will kontrolmatik build a battery factory in South Carolina?

PRESS RELEASE FROM KONTROLMATIK TECHNOLOGIES,INC. Kontrolmatik Technologies,via its subsidiary Pomega Energy Storage Technologies,announced today that it will build its first U.S. lithium-ion battery factory in South Carolina.

Where is kontrolmatik listed?

Kontrolmatik is listed on the Istanbul Stock Exchange(approx. \$1.5 billion market capitalization). We are Pomega,a battery energy storage company based in Virginia and South Carolina. Our mission is to provide energy storage technology with industry-leading safety,reliability,and efficiency.

Where is kontrolmatik's first US-based lithium-ion battery factory?

CHICAGO,Dec. 8,2022 - Today,Kontrolmatik Technologies announced that it has chosen Colleton County,South Carolina,for its first U.S.-based lithium-ion battery factory. The factory will have a 3 gigawatt-hour (GWh) capacity and will help address domestic reliance on foreign supply chains in the lithium-ion battery market.

Who is kontrolmatik technologies?

Kontrolmatik Technologies was founded in 2008 as a control and automation company,and has grown into a global EPC contractor,system integrator,and technology provider. The company offers tailor-made and turnkey solutions to various sectors with its innovative,sustainable,and transparent approach.

What is kontrolmatik & pomega energy storage technologies?

Kontrolmatik Technologies is the parent company of Pomega Energy Storage Technologies,which is a manufacturer and integrator of battery energy storage systems (BESS). Kontrolmatik Technologies,through its subsidiary Pomega Energy Storage Technologies,is establishing operations in Colleton County with a \$279 million investment,creating approximately 575 new jobs.

Why did kontrolmatik choose Colleton County?

Kontrolmatik Technologies has chosen Colleton Countyto locate its first U.S. based lithium-ion battery factory. This project will have a huge impact on our community and our local economy. The jobs created by this project will improve the quality of life for our citizens and will attract new residents to our community.
