

List of nationality_KS solar panel installers - showing companies in Kosovo that undertake solar panel installation, including rooftop and standalone solar systems.

DT Global is proud to help Kosovo on its path to sustainable energy. As Afrim Sylja, Managing Partner at Elen--a solar energy company--says, "alternative energy [...] is the future; it is cheaper, safer, and healthier." See USAID's video for more on how solar is transforming Kosovo's energy sector.

Unisolar L.L.C. is the exclusive representative of the company AE SOLAR GMBH, for photovoltaic panels in the Republic of Kosovo and Albania. This made us proud as a company, motivating us to achieving the highest possible successes in the field of renewable energy.

Kosovo's power transmission system operator inked its third big deal in three months for the connection of planned renewable power plants to the grid. Dukagjini Solar intends to install two photovoltaic units of 96 MW of alternating current power each. The planned combined peak capacity is 250 MW.
