

Lebanon solar container customization

Do you need a solar battery in Lebanon?

Adding a solar battery to your solar system is essential for energy storage. At Solarcom Energy, we offer two types of batteries, TBB and nRuit, including heavy-duty Lifepo4 and lithium sodium batteries in Lebanon. Our batteries allow you to store excess energy generated during the day so you can use it at night or during power outages.

Does Lebanon impose customs on solar power equipment?

An exemption of customs and 3% additional duty is applied for solar power equipment used to generate electricity from 15 November 2022 until 31 December 2023. In addition, a customs fee of 10% is imposed on imported goods with similar substitutes manufactured in Lebanon in sufficient quantities and on imported luxury items.
