

Libya uptronix inc

What services does uptronix offer?

Uptronix offers specialized UPS equipment for various commercial needs, including server rooms and data centers. We ensure reliable power backup with high-standard testing and provide capacitor replacement, UPS battery removal, and services for obsolete systems. We offer a wide range of UPS emergency services, routine maintenance, and installation.

Does uptronix offer a battery replacement service?

Uptronix excels in UPS battery replacement, leveraging years of expertise with brands like APC and Eaton. Our certified technicians offer prompt, professional service, ensuring optimal performance and longevity for your critical power systems. Contact us for solutions in APC battery backups, Eaton UPS maintenance, or any OEM UPS service.

Does uptronix offer a battery backup solution?

Uptronix offers a range of uninterruptible power supply (UPS) battery backup solutions in the event of power outages or other power related issues.

Is uptronix a good company?

Uptronix has been our UPS and battery backup system provider for years now. They have provided great customer support and have very smart people on staff. Richard is the main technician that comes out on a regular basis to check our system. He is friendly and great to work with. I highly recommend.

Does uptronix stock replacement parts?

Uptronix maintains an extensive inventory of spare parts for obsolete uninterruptible power supply systems. We also stock replacement parts for older legacy systems to provide an additional level of support and extend the life of older UPS systems.
