

Life younger Cameroon

Why do we care about youth in Cameroon?

We believe in the creative power of youths and we believe we are the change that our society needs. We are engaged in solving the problems of today so that we will be in a better position tomorrow." One of the biggest challenges facing young people in Cameroon is increasing youth unemployment.

Who are Cameroon youths in development?

Young people in Cameroon are the leading voice in advocating for change,says Elvis Ayafor,founder of Cameroon Youths In Development. Cameroon Youths In Development is a not-for-profit organization run and led by young Cameroonians. Established in 2015,the organisation provides young people necessary education,training and resources.

What are the challenges facing young people in Cameroon?

One of the biggest challenges facing young people in Cameroon is increasing youth unemployment. We have taken up the challenge of addressing this issue through our "My Talent MySkill MyJob" initiative. Through this initiative,we train young people in a variety of different fields and skills.

Who is life-younger?

LiFe-Younger All rights reserved. ICP2023001937 LiFe-Younger is a global manufacturer and innovator of energy storage and EV Charging solutions that are widely used in residential,C&I and utility,micro-grid,electric energy storage and other scenarios.

Young Life Africa introduces teenagers to Jesus Christ and helps them grow in their faith. We work on a continent of young people; 75% of the population of sub-Sahara Africa is under the age of 25. When leaders share Jesus with kids, hearts change, lives change and communities change.
