

Luxembourg city solar container vehicle fault repair

What happens if a car is repatriated to Luxembourg?

In the event of repatriation, the vehicle and its occupants will be repatriated to Luxembourg (within the limits and amounts indicated in our general conditions). Is the breakdown service free? The ACL roadside service operates 24 hours a day, seven days a week, and can be contacted by telephone on (+352) 26000.

How much does a car breakdown cost in Luxembourg?

It responds to breakdowns or accidents involving vehicles (cars, trailers, motorbikes) weighing up to 3.5 tonnes. In Luxembourg, 2 breakdown or towing operations per year are free of charge; a 3rd operation is invoiced at 50% of the current rate (depending on the distance and the time of the operation - night, Sunday, public holiday).

How much does a breakdown or towing operation cost in Luxembourg?

In Luxembourg, 2 breakdown or towing operations per year are free of charge; a 3rd operation is invoiced at 50% of the current rate (depending on the distance and the time of the operation - night, Sunday, public holiday). Any additional intervention will be invoiced at 100%. Please note!
