

Masdar company Jersey

Who are Masdar shareholders?

With three leading UAE energy champions as our shareholders - the Abu Dhabi National Oil Company (ADNOC), Mubadala Investment Company, and Abu Dhabi National Energy Company PJSC (TAQA) - Masdar is supporting the UAE's transition toward a knowledge-based economy.

Who is Masdar?

Masdar is a clean energy pioneer positioning the UAE at the forefront of the worldwide energy transition. Find out how Masdar is a source of hope, power, and change for people and communities around the world.

Why is Masdar so successful?

Masdar's success has been part of that mainstreaming process. Overall Masdar has proved itself a strong proponent of clean energy and the overall energy transition, investing against the status quo in the knowledge and understanding that dependence on fossil fuel could not be the future for Abu Dhabi or the UAE.

Why should you invest in Masdar?

Over the past 17 years, Masdar has become one of the world's largest renewable energy investors and drivers of the energy transition. Our momentum will see us accelerate global clean energy growth, expand our renewable energy footprint, and play a vital role in delivering the UAE's Net Zero by 2050 strategic initiative.

Who is Abu Dhabi future energy company PJSC (Masdar)?

In 2006, the UAE government established Abu Dhabi Future Energy Company PJSC (Masdar) to leverage and build on the UAE's expertise and leadership in the global energy sector, while supporting the diversification of its economy and energy sources for the benefit of future generations.

Why is Masdar a strategic investment company?

Our approach is of essential strategic importance for our nation." Masdar, a subsidiary of Abu Dhabi's state-owned Mubadala Investment Company, was set up to fulfil what Al Ramahi calls, "the strategic visionary thinking of the leadership, to diversify from our dependence on fossil fuels economy in order to generate power and water."
