

Mashriq energy Greece

Who is Mashriq energy?

Mashriq Energy is a quality-oriented international company providing turnkey solar photovoltaic solutions. We are on a mission to accelerate the transition to renewable energy by providing professional energy consulting services, industrial (EPC) services, and increasing public energy literacy and awareness.

Does Mashriq energy provide turnkey solar photovoltaic solutions?

Employees at Beirut-based Mashriq Energy provide turnkey solar photovoltaic solutions. Image: Dario Sabaghi/DW Mohamad Mneimneh, founder of Mashriq Energy, a company providing turnkey solar photovoltaic solutions, described how there are some solar initiatives at the community level.

What does Mashriq mean in Arabic?

The Mashriq (Arabic: مشرق) is an Arabic term referring to the eastern Mediterranean, comprising modern-day Lebanon, Egypt, Saudi Arabia, among others. The name also refers to the "Place of Sunrise" (Arabic: مكان الشروق "to shine, illuminate, radiate" and "to rise"). Our name is part of our identity and mission.

3 · MORE (Motor Oil Renewable Energy), a subsidiary company of the Motor Oil Group is a leading force in the field of RES, one of the largest RES producers in Greece and one of the most important in Southeastern Europe.

Mashriq Energy recently won a tender worth about \$400,000 to build a photovoltaic-diesel (PVD) hybrid system to supply the campus of the Beirut Arab University. Technicians are installing 920 solar panels that will cover from 20% to 40% of the campus' total energy requirement.
