

Kiribati with its project on "Scaling-up Renewable Energy Program Investment Plan" has set up solar micro grid with a capacity 36.5 kW and coupled with battery storage of 346 kWh. 92% of the population in Kiribati had access to electricity as of 2020.

Solar Energy for the outer island project, funded by European Union. The project implemented by KGES having the following components. Market Survey ; User Training Programmes; Design of solar PV systems; Distribution and Installation of 1700 ...

Kiribati Green Energy Solution, a State-Owned Enterprise was established on 14 November 1984 under the Company Ordinance Cap 10A. It is a leading Government implementing agency in the energy sector deal with any renewable energy initiatives in Kiribati.

Kiribati Solar Company can assist and provide the following services at affordable price. Solar kit Maintenance and Repair; Energy Analysis; Engineering ; Manufacturing Solar controllers; Outer Island Solar System Logistics Services

Kiribati Green Energy Solution, a State-Owned Enterprise was established on 14 November 1984 under the Company Ordinance Cap 10A. It is a leading Government implementing agency in the energy sector deal with any renewable energy initiatives in Kiribati. [Read more ...](#)

Since 1991, the state-owned Kiribati Solar Energy Company (KSEC) has distributed approximately 4,400 home solar systems across 21 of the country's 33 islands and received millions of dollars in development assistance from Japan and then the European Union, according to Tavita Airam, the company's chief executive.

With limited natural resources and a population spread across 33 atolls and islands, Kiribati has long been reliant on imported fossil fuels for its energy needs. However, the country is now looking to solar power as a sustainable solution to address its energy challenges and contribute to global efforts to combat climate change.

To achieve our national energy vision " available, accessible, reliable, affordable, clean and sustainable energy options for the enhancement economic growth and improvement of livelihoods in Kiribati ", EPU office works closely with the Kiribati Oil Company (KOIL), Public Utilities Board (PUB) and Kiribati Solar Energy Company (KSEC ...
