

Mtn solar prices in Lesotho

When does MTN Lumos start recharging?

PRICES LAST UPDATED: OCTOBER 24, 2023. Once you've had your MTN Lumos setup installed, you can start recharging to enjoy solar power. All you need to do is send your preferred payment plan (number of days) to 317 after loading enough credit to cover the payment.

What is MTN-Lumos solar inverter?

The MTN-Lumos solar inverter system was created to provide Nigerians with solar power for basic needs at an affordable cost. If you're having issues with charging your mobile phone or laptop or lighting up your rooms at night, the MTN "Yellow Box" might be all you need.

How much does MTN-Lumos cost?

Upon joining the service, you have to pay a one-time setup and installation fee of N28,000. This fee is different from the subscription or repayment plans listed above. The whole package remains the property of MTN-Lumos, and they reserve the right to withdraw it from you at any time if you violate the terms and conditions.

How do I contact MTN-Lumos customer care?

Reaching MTN-Lumos customer care is easy. Simply dial 180, which is the same MTN customer care number, and select the option for inquiries on MTN-Lumos mobile electricity service. You will be redirected to a customer support agent who will handle your queries.
