Welcome to Fortis Myanmar Technology, where we blend unparalleled engineering expertise with top-tier solar products to usher in a new era of sustainable energy solutions. Get A Quote Unmatched Quality, Reliability, and Expertise

Myanmar's solar market is predominantly led by Chinese companies, including Sandisolar. In 2022, Sandisolar completed 36 solar projects and that number rose to 115 in 2023, with over 200 projects planned for 2024, Thi Thi Soe said. This growth highlights the increasing use of solar energy in the Southeast Asian country, she added.

Solar energy reduces a country's reliance on imported fossil fuels, leading to greater energy security. For homeowners, using solar panels can also reduce dependence on local utility companies and potential price hikes in electricity.

At Stanol Myanmar, we offer a wide range of high-quality solar panels to meet diverse energy needs. Our solar panels are sourced from trusted manufacturers and are known for their efficiency and durability.
