

Norwall power systems Suriname

Who is Norwall Powersystems?

Established in 1997, Norwall PowerSystems specializes in Backup Power Generator and Generator Equipment sales for homes and businesses. We sell and support: Generac Power Systems, Briggs & Stratton, Kohler Power Systems, Cummins Power Generation, Onan RV Generators, Champion Generator, Westinghouse, Kubota and other Great Brands.

Did Norwalk Power Systems do a good job?

Norwalk Power Systems did a great job for me with my order of an 18kW standby generator. The generator shipped within the stated 10 to 14 day lead time and J&L Freight delivered it on the day promised in pristine condition! I could not be happier.

Is Norwall a good company?

According to some reviews, Norwall has terrible customer service people and incredibly rude representatives. There have been instances where items were not shipped on promised times and updates were difficult to obtain.

Does Norwall provide good customer service?

According to several other reviews, Norwall does not care about their customers. This is evident from the way their customer service representatives treat people.

What is the Norwall club?

With the Norwall Club, customers can log in and the online catalog automatically highlights special offers and savings at checkout unavailable to other shoppers including gift card incentives and in-cart specials. We also offer an additional 2 percent savings with payment by echeck or wire transfer.
