

Paraguay has one of the highest proportions of renewable energy in South America. Hydropower constitutes around 99.5% of the installed electricity capacity. This makes it highly dependent on the rivers that feed the country's main hydroelectric plants, from where most of the electricity produced is exported to neighboring countries.

Mayorista Importador de Paneles Solares ? Monocristalinos y Policristalinos, marcas JinkoSolar, LONGi Solar, Trina Solar, Canadian Solar, DAH Solar. Potencias que varían entre 300W y 800Wp, presentes en Paraguay, Bolivia, Ecuador, Venezuela y resto de Latam.
