

Polaron solar Barbados

as someone who has previously been the lead energy consultant for a solar system installation company servicing the HRM, i honestly do not recommend polaron. solar is a worthy investment. having great sun exposure automatically makes you a great candidate, but frankly that is exactly why you're being talked such a good game.

Blue Circle Energy has over 50 renewable energy sites under development in Barbados, ranging in size from 250kW to 5MW. The project sites are distributed throughout the island, are located in each of Barbados' 11 parishes, and include both solar PV and battery energy storage systems.
