Operating since 1933, Rollo has a long, established and successful heritage in the power generation and plant industries. Our roots can be traced back to a company first known as TS Engineering and subsequently, TS Rollo, providing nationwide maintenance and repairs for marine and power generation customers.

Rollo Power Solutions offers a "one stop shop" approach to customers' stand by power and marine requirements. With locations at Grimsby & Bristol we can offer all our services at a local level to suit your business needs. Our experienced and professional team offer supply of stand-by generators and provide installation as a full turn key project.
