Deeply rooted, with our eyes on the future: That is Enerparc AG. In a future-oriented industry, we have a forward-looking set of values - and remain true to our roots despite our continuous growth. We are still owner-managed and ...

Since 2010, we have been developing, planning, and operating solar power stations together with our local partners in France and have had an office in Bordeaux since 2019. In doing so, we have built over 10 solar parks, of which over 117 megawatts of these solar parks are part of the capacity of Enerparc AG and are operated by us.

Deeply rooted, with our eyes on the future: That is Enerparc AG. In a future-oriented industry, we have a forward-looking set of values - and remain true to our roots despite our continuous growth. We are still owner-managed and continue to abide by our business principle of sustainability - now joined by over 400 highly qualified employees.
