Will kontrolmatik build a battery factory in South Carolina?

PRESS RELEASE FROM KONTROLMATIK TECHNOLOGIES, INC. Kontrolmatik Technologies, via its subsidiary Pomega Energy Storage Technologies, announced today that it will build its first U.S. lithium-ion battery factory in South Carolina.

Where is kontrolmatik's first US-based lithium-ion battery factory?

CHICAGO, Dec. 8, 2022 - Today, Kontrolmatik Technologies announced that it has chosen Colleton County, South Carolina, for its first U.S.-based lithium-ion battery factory. The factory will have a 3 gigawatt-hour (GWh) capacity and will help address domestic reliance on foreign supply chains in the lithium-ion battery market.

Where is kontrolmatik listed?

Kontrolmatik is listed on the Istanbul Stock Exchange (approx. \$1.5 billion market capitalization). We are Pomega, a battery energy storage company based in Virginia and South Carolina. Our mission is to provide energy storage technology with industry-leading safety, reliability, and efficiency.

Will kontrolmatik build a lithium-ion battery factory in Ankara?

As construction of its lithium-ion battery factory in Ankara nears completion, Kontrolmatik Technologies announced in December its plan to build a 500,000-square-foot facility in Colleton County that is expected to begin production in mid-2024, create about 575 new jobs and have an initial production capacity of 3 gigawatt-hours (GWh).

Who is kontrolmatik technologies?

Kontrolmatik Technologies was founded in 2008 as a control and automation company, and has grown into a global EPC contractor, system integrator, and technology provider. The company offers tailor-made and turnkey solutions to various sectors with its innovative, sustainable, and transparent approach.

Where is kontrolmatik & pomega located?

"We are very excited to locate our flagship factory in South Carolina, and we appreciate the warm welcome we have received everywhere we've gone throughout the state," said Bahadir Yetki, CEO of Kontrolmatik and Pomega.

Pomega Energy Storage Technologies, a subsidiary of Kontrolmatik Technologies, hosted a groundbreaking ceremony for its first U.S. lithium-ion battery ...

Kontrolmatik Technologies, via its subsidiary Pomega Energy Storage Technologies, hosted a groundbreaking ceremony for its previously announced 3-GWh lithium-ion battery manufacturing plant in South Carolina.
