## Saint Lucia mobile power solutions

In keeping with its 2035 Strategic Business Plan, the St. Lucia Electricity Services Limited (LUCELEC) has launched ENERGYZE Holding Inc (ENERGYZE), a new subsidiary charged with the mandate to pursue diversification opportunities including new energy solutions, in keeping with the rapidly changing energy sector.

With the transport sector being one of Saint Lucia's largest consumers of energy on island, the project is targeted towards the integration of electric mobility within a wider effort towards a sustainable, low carbon and energy system in Saint Lucia.

Power Technologies Caribbean Caribbean Ltd. (PTCL) is a regional provider of power quality solutions and services. It was founded in 2003 by experienced and qualified people coming from a highly specialized power quality and IT background.
