

Sasonbi solar Cocos Keeling Islands

Why are the Cocos Islands called the Keeling Islands?

The territory's dual name (official since the islands' incorporation into Australia in 1955) reflects that the islands have historically been known as either the Cocos Islands or the Keeling Islands. The territory consists of two atolls made up of 27 coral islands, of which only two - West Island and Home Island - are inhabited.

Where can I stay in Cocos (Keeling)?

The Cocos (Keeling) Islands have a few accommodation options on both islands, however, most options are located on West Island. Resorts, high-rises, there's none to be found here. Cocos can only accommodate 144 people at any given time, with most options simple digs.

Who is sasonbisolar?

We do solar power systems right. SasonbiSolar is a team of engineers and technicians passionate about sustainable energy. We understand how expensive or unreliable traditional power sources can be, and that renewable energy is the only way to go. We ourselves use solar energy in our homes and offices.

What is the capital of Cocos (Keeling) Islands?

The capital of the Territory of Cocos (Keeling) Islands is West Island while the largest settlement is the village of Bantam, on Home Island. Governance of the islands is based on the Cocos (Keeling) Islands Act 1955 and depends heavily on the laws of Australia.
