Fortune CP provides innovative renewable energy products and services in South Sudan. These include solar components (solar panels, inverters, batteries), off-grid and grid-tie solar systems for commercial, industrial and residential applications, battery energy storage systems, energy efficient LED lighting systems, solar water heating ...

Within a few hours, the solar panels were in place, and the team began installing the battery storage system. The battery storage system was the key to making the villa self-sufficient in terms of energy. It would store excess energy generated by the solar panels during the day and provide power to the villa during the night.

Solar installation, Solar Maintenance and Solar products like Solar panels, Lithium Batteries, Solar Batteries, MPPT Charge Controllers, Hybrid Inverters, Solar Inverters, Solar Pumps, PV Combiner Box, Solar Floodlight etc.
