

Terrasun solutions Eswatini

Who is IHI terrasun solutions?

IHI Terrasun Solutions (formerly known as IHI Energy Storage) is a company that provides solar and storage systems integration and lifecycle services. The company develops and installs complete energy storage systems (ESS) supported by integrated software and hardware.

Why did Hi terrasun buy esware?

To further develop our advanced optimization capabilities, IHI Terrasun purchased the ESWare -- an advanced, non-linear, economic algorithm-based software -- from 24M. In March 2020, IHI Terrasun Solutions was incorporated as a solar and storage lifecycle services provider.

Why should you choose IHI terrasun?

Trusted lifecycle services for battery energy storage projects. Innovative design, integration, software, and field engineering solutions that advance the renewable energy transition IHI Terrasun maximizes your return on project investment -- now, and for the long-term.

Why should you choose IHI terrasun for battery procurement?

We offer the most flexible options for battery procurement, including our Assured Procurement service. IHI Terrasun is at the forefront of advanced solutions for DC-coupled, collocated, and standalone battery projects.

Geo Solutions (Pty) Ltd is a 100% black woman owned consultancy company, founded in November 2014, based in Mbabane, in the Kingdom of Eswatini, with expertise in geology, geotechnical investigations, and environmental & social advisory services.

Founded in 2014, Terrasun is a subsidiary of a Tokyo-based energy and industrial processes conglomerate IHI Corporation. Terrasun was formed in Cambridge, MA by a team of engineers who wanted to make a resilient and sustainable energy grid by delivering high value storage systems to the market.

Leveraging decades of experience in energy storage integration, IHI Terrasun creates transformative design and service solutions for energy storage projects. We develop power plant software and provide engineering services for the energy storage projects that we integrate into the electric grid.

Based in North America, IHI Terrasun Solutions is an energy storage systems integration and lifecycle services provider with highly innovative hardware and software capabilities. Our global parent company, IHI Corporation, has been a leader in the industrial sector since 1853.
