What is Varo energy?

VARO Energy is committed to accelerating the energy transition with a blend of conventional and sustainable energy solutions. Learn about their innovative approach, reliable energy supply, and sustainable practices that meet diverse energy needs across Europe.

Who is Varo?

VARO was created in 2012 and is a leading European energy company that manufactures, stores and distributes conventional fuels and sustainable energies and services. We exist to accelerate the transition to a world of reliable, accessible, sustainable energy. We will be the energy transition partner of choice.

What makes Varo a great company?

Supplying energy is at the core of VARO's business. VARO produces, stores and markets a wide variety of energy solutions to its customers located across Europe. To deliver our ambitions, we are bringing together people who share a passion for our industry and are willing to have a role in its transformation.

Why should you join Varo energy?

As the company grows, we offer many opportunities and development paths for all our people. VARO Energy, a Swiss-based company, leads in the energy sector, focusing on sustainable energy transition through innovative solutions and strong partnerships. Founded in 2012, VARO is committed to high ethical standards and low-carbon energy.

Who owns Varo energy?

It was established as a joint venture between the commodity trader Vitol (75%) and Atlas Invest (25%), a financial holding company owned by the leading energy investor, Marcel van Poecke, who remains the Chairman of VARO Energy.

VARO Energy is committed to accelerating the energy transition with a blend of conventional and sustainable energy solutions. Learn about their innovative approach, reliable energy supply, and sustainable practices that meet diverse energy needs across Europe.
