

United Kingdom babcock borsig power

Who is Babcock International Group plc?

Babcock International Group PLC ("Babcock" or "the Group") is pleased to announce the completion of the sale of its Power business to M Group Services for a gross cash consideration of £50 million. Babcock's Power business is a leading provider of engineering services in the UK overhead line electric transmission and distribution industry.

Why should you choose Babcock Power?

Gain strength in our numbers. Babcock Power delivers unmatched expertise across the energy spectrum with 10 strategically assembled business units, each serving a unique need for energy companies. Whether it's biomass, wind, or solar; coal, gas, or oil, the success of your energy project demands the best this industry has to offer.

Who owns Babcock Borsig?

BBS GmbH is an international service provider in the energy-producing industry, with around 2,800 employees. In 1970 Deutsche Babcock bought the company Borsig AG; therefore, years later the company name changed to Babcock Borsig AG. Since 2005, the Babcock Borsig Service Group is a subsidiary company of Bilfinger Berger AG.

Who is Babcock's Power?

Babcock's Power business is a leading provider of engineering services in the UK overhead line electric transmission and distribution industry. It is trusted to deliver high quality outputs to clients including National Grid, Scottish Power Energy Networks and Western Power Distribution.

Is Babcock Borsig a subsidiary of Bilfinger Berger?

Since 2005, the Babcock Borsig Service Group is a subsidiary company of Bilfinger Berger AG. Before the integration some branches were established abroad, just like Deutsche Babcock Middle East and also some joint-ventures, as Deutsche Babcock Al Jaber. of the Bilfinger Berger Power Services (BBPS GmbH).
