Are vinnic ps500w 512 a good solar power station?

What the PROs Say? The Vinnic PS500W-512 has one of the highest solar inputs, strongest batteries and most efficient inverters of any of the small solar generator power stations I have tested over the years. Vinnic are actually a battery company, the battery inside the Power Station is definitely for sure.

What makes vinnic a good company?

In order to increase the quality, efficiency and create an environmentally friendly product, Vinnic has invested significantly to the production base with advanced machinery from Japan, Germany and US and also conducts large scale R&D.

Is vinnic ps2000w-1958 a good battery?

Vinnic are actually a battery company, the battery inside the Power Station is definitely for sure. And I really love the design of the PS2000W-1958, The shape is so long, but all the useful plugs and display are in a very compact small surface, I can easily put it on the side of the vehicle, It's quite smart for car user.
