

# Wallis and Futuna energy regeneration system

What does Wallis & Futuna do?

About four-fifths of the population of Wallis and Futuna engages in subsistence farming, growing yams, taros, bananas, and other food crops. Some livestock is raised, mostly pigs.

Why did Wallis & Futuna win a weed control prize?

Wallis and Futuna was awarded the prize in 2021 following success in managing invasive weeds and animals with very limited support due to travel restrictions imposed by the COVID-19 pandemic.

How did SPREP help Wallis & Futuna?

Work to build effective coordination and implementation across the three different projects was the focus of a mission to Wallis and Futuna by SPREP in April. To help catalyse this, meetings were held with His Majesty Lavelua King of Wallis, the Vice-President of the Territorial Assembly, the Prefect and Superior Administrator of Wallis and Futuna.
